

STATEMENT of Robert Schreiber

I am a volunteer citizen-participant who is interested in assuring that projects associated with the City of Atlanta's water, sewer, and storm water management programs provide protection of public health and protection of the environment. My interest also includes assuring that all projects and actions comply with pertinent laws, regulations, and rules.

Any information that I gather about the projects is used for educating the public, elected officials, and government personnel.

I have no past, present, or future commercial interest in the sale of goods or services related to the projects.

I am not a licensed Professional Engineer, Professional Geologist, Lawyer, or Certified Public Accountant and I am not employed by the news-media.

I declare that all statements which I make in regard to the projects (official matters of public interest) are made in good faith, with an honest belief in their truth, and without fraudulent or malicious intent.
